Operation Technician

JOB OPPORTUNITY AT WBOC
IN SALISBURY, MARYLAND

WBOC has an opening for a full-time operations technician who is a self-motivated, detail-oriented, organized multi-tasking team player with strong interpersonal skills. This person is responsible for the equipment that provides the content of our broadcast on-air program streams. The candidate will be responsible for monitoring multiple air channels, acquiring, ingesting, and preparing content, executing content, and assuring quality control of the on-air products. This position involves ingesting commercials and programs, timing them, and making sure they all play on air properly. The successful candidate will have the ability to learn how to operate studio cameras, teleprompter, technical directing, and audio operations for live news broadcasts. Interested applicants should have working knowledge of communications, broadcasting, IT or Mass Media preferred. Good working knowledge of computers, video and audio equipment, and automation systems used in broadcasting such as Grass Valley Ignite, Sony ELC, Florical, and Nexio.
